

Introduction

At Sparhawk we are proud to provide a high quality creative and challenging education within a secure, caring and inclusive community. Each child experiences a sense of personal and collective achievement which prepares them for the journey of lifelong learning.

We want children to attend our school knowing that they are valued and respected. We have a clear set of aims and values which support every aspect of school life to ensure the highest levels of achievement is reached in all aspects of learning.

This agreement has been written in consultation with parents, carers, children, staff and governors of Sparhawk. We all have rights and responsibilities to ensure that all children learn, develop and achieve and this agreement sets them out.
