13th May 2022

Frogs

We have continued with the theme of frogs this week and have looked at a beautiful story "Phillippe in Monet's Garden" and have created some lovely pictures using cotton buds. The children have sung songs and thoroughly loved showing you their learning this week. We have continued with funky finger activities in the mornings and have seen great progress with scissor work!

Maths

We have been thinking about first then and now and have looked at different images that have helped us to create the number sentences. E.g. first there were 3 dinosaurs, then I had three more so now I have 6.

Dates for the Diary

19th May Gressenhall visit
20th May Premier sports enrichment day
6 & 7th June – National Height and weight checks for all Reception children.

Class Cafés

We had a wonderful time this week with families coming in to share in the class café's. The children had a wonderful time showcasing their work and performing some songs. It was lovely to share their learning with you and see them working alongside their adults.

Thank you all for coming and supporting us and your children.

Phonics

This week we have recapped on the sounds ai ee igh and ng and been revising words form sets 16 17 and 18

Gressenhall

Just a reminder that if you haven't sent your permission slip back and paid for the trip please can you do this. Children will need to come to school in their school uniform and bring a water bottle, packed lunch (if not ordered a school one) a waterproof jacket and sun cream/sun hat if it's hot.

Queen's Jubilee

We will be learning about the Queen in the last week of term ready to celebrate her Jubilee. Watch this space for details on how we are going to celebrate this very special occasion in style!
