

Reception Newsletter

8th July 2022

Under the Sea

We have started to learn about the ocean and what creatures call this home. We have discovered that our oceans are filling up with plastic and this is extremely harmful. We were so shocked to find out that by 2050 there will be more plastic in the sea than fish unless we do something now!

A few children felt so concerned they have written a letter to Boris! (we will now need to readdress them) putting pressure on the government to do more to stop companies producing so much plastic.

We have read the story Rainbow fish and talked about how we can be kind friends.

Circus Trip

We are very excited about our trip to the circus next Tuesday. Please make sure you have returned the permission slip and your child has a packed lunch if you have not ordered a school one. Thank you.

Arts Week

Please note there is a change to the time of our Arts Week performance. School gates will now open 2pm. Each class will then perform a little something for you and you will be able to purchase some amazing artwork too!

Splash Week

On the last week of term we are planning to have a splash week. Rather than a water fight which many children find overwhelming, we are going to have paddling pools for the children to play in.

Please send in a towel and change of clothes for your child to paddle and play in. They can become very wet so will need a change of underwear, socks etc.

Dates for the Diary

Friday 8th July – School BBQ

11th -15th July –Arts Week

Tuesday 12th July – Whole school visit to the Hippodrome.

Friday 15th July 2.30pm – Arts performance and art to buy!

Friday 22nd July –last day of term.

Return to school

TUESDAY 6th SEPTEMBER

Hot weather on it's way!

Next week looks like it's going to be a scorcher so please make sure your child has a sun hat and is wearing sun-cream.
