

Ruby news

What's been happening in Ruby class this week?
Monday 18th April - Friday 22nd April 2016

Maths –

In Maths we have been learning about division, and how to solve division number sentences by grouping. We have also looked at the inverse relationship between division and multiplication.

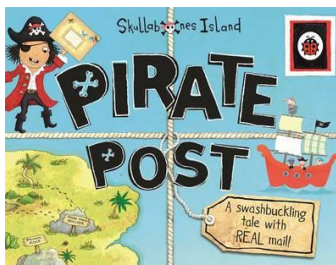

English-

In English we have continued our writing around 'Pirate Post'. This week we received a letter from the Barnacle Café asking us some questions about the pirate party we are planning. We have written a letter answering her questions. We used co-ordination, subordination and a range of different punctuation. Homework this week is based around writing a letter to the Barnacle Café.

Topic

This week we found a letter washed up on the beach that some pirates had written. In the letter the pirates said how some of them had got scurvy because they hadn't had enough Vitamin C. So we decided that at our pirate party we would make fruit salad to make sure no pirates caught scurvy. We planned our fruit salad and then made it on Thursday. It was delicious!

Junior School

This week you should have found out which Junior School your child will be attending in September. Soon you will be given information about transition days and meetings. If you have any questions in the meantime, please come and ask.

Other information

This week you were sent home a letter about exciting activities happening to do with our pirate topic. Any questions please ask.

Ruby Cafe

Please remember it is our last Ruby Café on Tuesday 26th April, in the school hall at 1:45pm. We look forward to seeing you there. If parents can't attend, other family members are welcome to come and support the children.

Dates for
the Diary:
