

# Emerald Class Weekly News

## 12<sup>th</sup> September

We have had a fab second week. We have been exploring our school values further, getting to know one another and getting used to some of the new routines in Emerald class.

### School Values

For these first two weeks the children will be learning about our school values as we look to embed them before they begin their Year 1 learning journey. This week we have looked at inquiry, responsibility, safety, confidence and independence.

**Inquiry** – We looked at a robot that had landed in our classroom and explored what we thought about it, what we know about it and what we would like to know about it.

**Safety** – We looked at how we can be safe in PE and why it is important.

**Responsibility** – We made our manifestos for the school council elections, we decided who will be our eco monitors and things we care about.

**Confidence and independence** – we spoke about things we can do and things we would like to be able to do and how we will use our independence skills to help us achieve.

### Dates

- 23<sup>rd</sup> Sept – Jeans for Genes Day
- 4<sup>th</sup> Oct – School Photos
- 10<sup>th</sup> Oct – Maths Day

### Science experiment:

I promised I would tell you how we did it, so you can try them at home should you wish to.

The milk, food colouring and washing up liquid experiment:
