

Term: Spring 1

Dear Parents/Carers,

Welcome back! We hope that you have had a great Christmas and we would like to wish you a Happy New Year. Thank you again for all of your kind cards and gifts.

As you can see by our curriculum map we have got a busy first term back. Please take time to read through the learning we will be covering and if you feel you could help with any topics in any way please come and let a member of the team know.

Just a few reminders:-

- PE is on a Tuesday and Wednesday; please ensure that your child's PE kit is clearly named. Girls need to have their hair tied back on these days. It is also a good idea to check that your child's plimsolls still fit as we like to go outside as soon as the weather is suitable.
- Please make sure that your child changes their reading books with you in the morning. Reading with your child will help with not only their fluency and expression but also with their comprehension skills. Please remember to write in your child's reading book every time they read so that they can collect reading beads during their guided reading session. Please remember that a child does not need to read an entire book to get a bead, a few pages of a longer book each night is fine.
- Please ensure that homework and any other paperwork is put in the relevant places in the morning. Homework needs to be put in the marking tray and any correspondence in the Coral class box.

We are really looking forward to all the wonderful learning we will be completing!

If you have any questions or queries, please do not hesitate to come and see a member of the Coral class team. Also if you feel you can add to any of our learning or if you have any resources you think would be appropriate please bring them in!

Many thanks for your support,

Coral Class Team
