The 'WATER FIGHT' will be happening either Monday or Wednesday next week depending on the weather. We have decided to keep PE kits in school until then so that we have plenty of spare clothes to choose from if we need them. Please don't forget to send a towel and spare underwear in if you haven't already. Preferably a carrier bags for wet stuff too!

Don't forget our whole school trip to the Circus on Tuesday 18th July. Children should come to school in their school uniform and if you haven't ordered a school packed lunch then children will need a packed lunch from home.

Please visit www.norfolk.gov.uk/raisinglearners for ideas of activities and things going on in Norfolk during the summer holidays.

Attached to this email is also a poster detailing different Speech and Language Therapy sessions available over the next couple of months should you have any concerns for your child in this area.

This will be the last newsletter for this year! It's been a pleasure Topaz children and parents, it really has! ☺ Happy Holidays!

This Week...

We've continued with our learning about pirates and animals that live under the sea.

We have been looking after Lily and Snuggles the school guinea pigs, feeding, cuddling and cleaning them out.

We have played parachute games and have been learning our new school song

We've also talked lots about our memories from this year and visited our new classroom.
