

# Coral Class – WB 12.3.18

## English

In English this week we have been writing about the chicks, who arrived on Monday. At the time of writing 1 of the chicks has hatched, with another 2 very close to making an appearance. Next week we will be writing a recount about our trip to Banham Zoo.

## Maths

In maths this week we have been practising addition and subtraction in word problems. Some of the word problems were tricky and meant we had to do addition and subtraction in the same question. Next week we will be revisiting multiplication and division.

## Vet

Next week a vet from a local surgery will be visiting Sparhawk and visiting each class.

## SATs meeting

On Monday 23<sup>rd</sup> April we will be holding a meeting about the SATs children will be doing in the summer term. This will be at 3pm in the school hall, after the Ruby Café. Mrs Davies has said she will look after the children during this meeting.

## Science Day

Next Monday is Science Day, and throughout the week we will be doing lots of different fun experiments. Some of these will be set up for children to do during the morning before registration, so feel free to come in and join in the fun.  
8:40-8:50am

## Banham Zoo

We had a lovely day at Banham Zoo despite the weather. More details of the fun we had to follow next week.

## Artwork

A reminder that on Monday 26<sup>th</sup> March children will be selling their artwork in Ruby Class to raise money for the Cotton Tail Monkey they have chosen to sponsor at Banham Zoo. This will be at 2:30pm.

## Ruby Cafe

Remember our new date for the Ruby café is **Monday 23<sup>rd</sup> April, 1:45pm**, in the school hall.

## Time to Talk

If you have missed or miss your time to talk slot please make sure you rebook it in.
