

Coral Class – WB 19.5.18

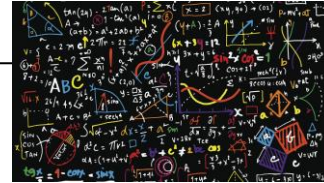

Maths

As we have been doing our Reading quizzes this week we have had a focus on Maths. We have been completing lots of little recap maths activities on the following:-

- 2D and 3D shape
- Money problems
- Scales
- Fractions

We have also been practising our mental maths skills.

Topic

Next week we will be completing our Maths SATs. These will be completed throughout the week. There is no need to talk to children about these as we don't want to put any unnecessary pressure on the children.

Topic

We have thoroughly enjoyed becoming the Coral class taste testers! We tasted, smelt and looked at fortune cookies and then innovated on how to make these taste better. Some of us would like them dipped in chocolate! We will be decorating our fortune cookies next week!

Nurtured Heart

On Wednesday 6th June parents are invited to a FREE workshop around the Nurtured Heart Approach. This will be at **Cecil Gowing Infant School- 9:15am-11:30am**. To book your place email the office: office@sprowstonsparhawk.norfolk.sch.uk
For more information on the Nurtured Heart Approach visit:
<http://benjaminfoundation.co.uk/the-nurtured-heart-approach>

Red, White and Blue Day

We have really enjoyed Red, White and Blue day to celebrate the Royal wedding! The weather was a little chilly so we had a big picnic inside with our blankets! We have enjoyed learning a bit about the Royal wedding and even got to see some of Mrs Munday's wedding photographs!
