

Coral Class – WB 29.6.18

English

In English this week we have been writing instructions. Our instructions have been for making a world cup wristband. We made sure we used bossy verbs, and thought carefully about making good choices for our adverbs.

It's been great to see that children have been taking their learning home and writing instructions at home too.

Maths

In Maths this week we have been adding and subtracting using money. We've made totals using different coins and also given change.

Body Percussion

A few weeks ago we had a musician come in and teach us some body percussion. We really enjoyed it and have been practising hard. We're looking forward to showing it to you all on Monday 16th July at 2:30pm in Coral Class.

Leavers Assembly

We've started practising our Leavers Assembly, but we can't really say anymore than that! We'll be getting excited to show it to you Friday 20th July. Letters went home this week about any costumes or outfits we need. Thanks for your support.

Sports Day

Thank you to everyone who came along today to support our sports day.

Water fight

A letter was sent home this week about our school water fight. It will be happening next week, but we can't confirm the day. We'll be waiting for the day where the weather is most suitable. Please see letter for details of what to bring in etc

Quote of the week
