

Coral Class – WB 02.12.19

English

In English this week we have been looking at story of Excitable Edgar the dragon as portrayed on this year John Lewis Christmas advert. We have been looking at sequencing the story and inferring how the characters may be feeling and also thinking about what they would say if they were given voices.

The children also used iPads to create a video sequence of the story with themselves acting out the different voices of the characters and happenings within the story.

Christmas Performance

We have been so impressed this year with how well the children are doing with their Christmas performance.

We recently sent home costume slips and were hoping to have the costumes in by today. We are going to be doing a dress rehearsal for Falcon's Year 3s on Monday so if you could get it in for then, that would be fab. Falcon are then returning the favour by showing us their performance on Tuesday afternoon. We are also visiting Gage Road Community centre on Wednesday to sing them some carols. It really is the most wonderful time of the year.

Sparhawk Open Afternoon

Pop along on Monday 17th December for some Christmassy fun with the children. Our open afternoon is a chance to gather in the hall for carols and goodies too.

Phonics

This week we have been looking at adding apostrophes to show possession of an item. The children have been looking at the dangers of not adding 's to some plurals as they only need an s to make them so.
