Thank you for showing your support for Poppy day and Children in need – it is lovely to see a sense of community even though we are not together.

If you had managed to have a bear party this week then I hope that you had fun-I know I did!

We will look at a new celebration next week.

School Values - These are woven into our school week:

Reception for September 2021

If your child is due to start Reception in September 2021 then please see the link below so that you can register your admission. This needs to be done by January 15th 2021. If you are thinking about Sparhawk Infant School as your choice then take a look at our social media pages for an introductory video and watch this space for more!

<https://www.norfolk.gov.uk/education-and-learning/schools/school-admissions/admission-to-reception-classes>

If you do want to talk to anyone about your choice or what Sparhawk can offer then talk to one of the Diamond class teachers or email our Early years lead teacher Mrs Spalding via the school office.

COVID related school absences

If your child is absent from school whilst waiting for a COVID test result we would ask that you continue the following activities at home:

Sharing story books with your child

Talking about letters in their name(only if they are beginning to show an interest)-point to letters that their name starts with or letters that are in their name

Count with them-everyday opportunities when laying the table, sorting washing, sharing sweet treats!

If your child then has to isolate for a longer period the class teacher will contact you directly to go through the work that the class will be covering during this time-this will likely be via email/tapestry

Pick up/drop off

Could we please remind parents/carers that it is one parent/carer to drop off/pick up – thank you☺

Birthday sweets

We are so sorry that we cannot give out birthday sweets and cakes as we used to – we do always try to make their day special in other ways – thank you for your understanding.
