

Recycle with us

Sparhawk Infant and Nursery School has joined the Terracycle Recycling Scheme.

This means that not only are we helping the environment by reducing what would usually end up as landfill waste, but we can also do so whilst earning points which can translate into funds for the school. Its win win!!

To make this a success we need your help

The following posters detail the schemes we have currently been accepted onto. **Now we just need parents, staff, neighbours and friends of Sparhawk to start collecting.**

There will be a recycling point set up in the school reception office for easy and accessible drop off, please do spread the word and tell family and friends, all are welcome to use the drop off point.
