Gressenhall

We had an amazing day at Gressenhall! Please look on Tapestry at the photos if you haven't done so already. The children had a fantastic time and were a real credit to the school. The staff at Gressenhall commented on what a lovely group of children they were! We helped the museum curator find all the missing fairy tale objects that the naughty witch had hidden all over Gressenhall. We helped Jack to find the golden egg, Cinderella to clean the cottage and do all her chores in the garden, we made a potion in the woods with the witch and even saw some lambs that had been born just a few hours earlier!

Gingerbread Man

We had another week learning about the story of the Gingerbread man. This week we made gingerbread and did a science experiment to find out what happened when our gingerbread biscuit got wet!
