

Year One News

Friday 2nd February

Phonics

In phonics this week we have learned the sounds: ear, or, tch, dge, er and looked at the other spellings that we already know for these sounds too.

Please see separate Supersonic Phonics newsletter for more information.

English

After making unleavened bread last week while learning about Judaism, this week in English we wrote instructions for how to make it. We thought about time conjunctions to start our instructions (first, then, next etc) and used 'bossy' imperative verbs to tell someone else what to do.

Maths

This week in maths we have continued to learn about numbers to 20 by looking at number lines. We created our own number lines outside and then found missing numbers and solved other problems using number lines to 20.

Don't forget to keep having a go on the 1 Minute Maths app and fill in your record sheet!

Science

We had fun this week experimenting with which materials were waterproof and absorbent to help Jen Gineer keep her new invention top secret!

History

This week we learned about why Amelia Earhart is such a significant person in the history of air travel. We thought of questions that we would like to ask her and also thought about how life would be different today for a female who wanted to be a pilot.

Dates for your diary

Dates for your diary.....

14th and 15th February – Grandparents invited into classrooms from 2:30 for Intergenerational Week

16th February – Last day

13th March (1:45) – Emerald Café

19th and 20th March – Parents evening

27th March – Last day

Computing

We have enjoyed exploring the Beebots further this week, working as a team to give them instructions to move from one place to another, thinking carefully about left and right turns.
