

# Year One News

## Friday 15<sup>th</sup> March

### Phonics

In phonics this week we have recapped the sounds: gn, ore, ey, y and looked at the other spellings that we already know for these sounds too.

Please see separate Supersonic Phonics newsletter for more information.

### Maths

This week in maths we have been subtracting by counting back on a number line. We also used number bonds to work out linked subtractions e.g. using  $6-3=3$  to work out  $16-3$ .

**See if you can have a go at any of the subtraction topics on your 1 Minute Maths app.**

### General notices:

- A big thank you to all of the grown-ups that joined us for our cafes this week 😊
- Please ensure that you have signed up for a parents evening slot for next week
- Don't forget that grown-ups are able to come in from 2:30 on Friday next week to see our KAPLA club masterpiece and to help to demolish it too! (sorry, no younger siblings)

### English

This week, we went on an imaginary space journey and looked at using 'and' to join 2 ideas together when writing about what we wore, did and saw.

### Science

This week in science we learned all about how to **reduce, reuse** and **recycle** to look after our world. We looked at rubbish and sorted it into things that could be reused, recycled or had to be thrown away. We also thought about all of the ways that we could reuse different things – there were some very creative ideas!

### Computing

Carrying on with our theme of e-safety, in computing this week we spoke about all of the different ways that we can communicate with others online, and how to make sure that we are safe when doing so. We had lots of fun Zoom calling the other Y1 class too!

### Dates for your diary

Dates for your diary.....

**19<sup>th</sup> and 20<sup>th</sup> March** – Parents evening  
**22<sup>nd</sup> March** – KAPLA club visit in school  
**25<sup>th</sup> March (5-6pm)** – Sleep workshop (see letter)  
**27<sup>th</sup> March** – Last day  
**15<sup>th</sup> April** – Back to school
