

Year One News

Friday 22nd March

Phonics

In phonics this week we have recapped the sounds: ear, or, tch, dge, er and looked at the other spellings that we already know for these sounds too.

Please see separate Supersonic Phonics newsletter for more information.

English

This week, we added 'ing' to words and discussed what verbs were. We then used this to create our own poems, including similes and onomatopoeia as well!

RE

In RE this half term we have been learning about Judaism, including thinking about what makes a good leader, learning about Moses and reflecting on whether he was a good leader or not.

Maths

This week in maths we were learning about finding the difference to help with subtracting and we looked at number fact families e.g. $7+5=12$, $5+7=12$, $12-7=5$, $12-5=7$.

See if you can have a go at any of the topics on your 1 Minute Maths app. Don't forget to send in your record sheets when they are nearly full!

PE

This week in PE we began to work on our sending and receiving skills. We started by aiming and rolling balls at targets.

Geography

In Geography we have been learning about St Lucia and looking for similarities and differences to the UK. We have looked at where they are both located in the world, their weather and climate and food that is grown there. We have also looked at an area in St Lucia called La Clery and made comparisons with Sprowston.

Music

In music this half term we have been creating our own song about caring for our world and have practised singing it in a round.

Dates for your diary

Dates for your diary.....

25th March (5-6pm) – Sleep workshop (see letter)

27th March – Last day

15th April – Back to school

24th May – Bewilderwood trip
