The Great Fire of London

Was the Great Fire of London Thomas Farriner's fault?

Cart — A vehicle used to carry loads usually pulled by a horse.

Leather bucket — A type of lightweight bucket used to put out fires.

Pudding Lane — A small street in London where the Great Fire of London started.

flammable — When something burns easily.

Fire break — When buildings are destroyed to make a gap so the fire can't spread.

The skills I need....

- Start to be able to put some key historical events in chronological order.
- Sequence main points of a significant event
- Compare and contrast ways of life at different times.
- Start to talk about how life was different in these periods.
- Begin to identify objects from the past and the main differences between old and new objects
