Geography Knowledge map

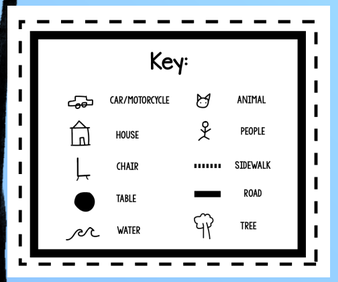

What do I need to know to make a map of the school and its key areas?

Vocabulary	
Key	A "key" on a map is like a special guide that helps you understand the symbols and colors used on the map
Symbols	Symbols on a map are simple drawings or icons that stand for different things in the real world.
Compass points - North/South/ East/ West	Compass points are the directions you can see on a compass, which is a tool used to find your way. There are four main compass points: North, South, East, and West.
Aerial View	An aerial view is like looking down at the world from high up in the sky, just like a bird flying or when you're in an airplane.
Field work	Fieldwork is like an adventure where you leave your classroom or home to explore and learn about the world around you
Surroundings	Everything around you in the immediate environment.

Skills I need:

-Enquiry: -Use world maps, atlases and globes to identify the United Kingdom and its countries.

-Identifying physical features and human features and represent these

Physical: create simple map with a key
