Executive Headteacher: Ms H. Jordan		

Dear Families,

On Friday 8th of May, we will be celebrating a special birthday as it marks Sir David Attenborough's 100 Years on Planet Earth! As many of you will know David Attenborough has taught us about the wonders of planet Earth and why it is important to care for it. We would like to invite all Year 1 children and their adults to take part in a special celebratory event from 4.30pm until 6pm in school.

We ask that you arrive promptly at the main school entrance at 4.30pm where you will be greeted by the KS1 team. We will start in the school hall with a short talk and then you will have time to enjoy a range of planet earth-inspired activities linked to caring for our planet.

Finally, please could you complete the google form: 8th May 2026 Year 1 Celebration – Fill in form to confirm your child's attendance for this event on 8th May.

We are really excited by this event and hope you can attend.

Kind Regards,

Mrs Ellis & Miss Marshall
