Executive Headteacher: Ms H. Jordan

Thursday, 04 June 2026

Dear families,

At Sparhawk, we are proud to celebrate diversity and promote kindness, understanding, and respect within our school community. As part of this commitment, we will be taking part in the national **Day of Welcome**, which takes place on **Friday 12th June,** the week before Refugee Week. The Day of Welcome is an annual event in UK schools designed to build **empathy, solidarity, and understanding for refugees and people seeking asylum**. Throughout the day, children will take part in thoughtfully planned activities that help them learn about welcoming others, celebrating differences, and fostering a sense of belonging.

During the day, pupils:

- Take part in age-appropriate classroom activities and discussions
- Listen to stories and experiences that help build understanding
- Explore what it means to be part of a welcoming community

Our aim is to support children in developing compassion and awareness in an accessible and sensitive way, appropriate to their age.

If you would like to continue these conversations at home, we encourage you to talk with your child about the importance of kindness, inclusion, and helping others feel safe and valued.

If you have any questions or would like further information about the Day of Welcome, please feel free to contact the school office.

Thank you for your continued support.

Yours sincerely,

Mrs Munday and Mrs Jackson
